Sir:

In the response to the Office action of March 5, 2004, which response was transmitted via facsimile to the Patent and Trademark Office on June 5, 2004, the Applicants inadvertently stated that the Applicants elect to prosecute claims 21-35 and 40-48 and these claims remain in the current prosecution. The correct elected claims should be 21-35 and 40-49, and these claims 21-35 and 40-49 remain in the current prosecution.
